John McCleary, JP CHIEF EXECUTIVE OFFICER

Local Government Act 1995 - Extract

5.65 - Members' interests in matters to be discussed at meetings to be disclosed.

(1) A member who has an interest in any matter to be discussed at a council or committee meeting that will be attended by the member must disclose the nature of the interest:

(Penalties apply).

(2) It is a defense to a prosecution under this section if the member proves that he or she did not know:

(a) that he or she had an interest in the matter; or (b) that the matter in which he or she had an interest would be discussed at the meeting.

(3)This section does not apply to a person who is a member of a committee referred to in section 5.9(2)(f).

5.70 - Employees to disclose interests relating to advice or reports.

(1) In this section: 'employee' includes a person who, under a contract for services with the local government, provides advice or a report on a matter.

(2) An employee who has an interest in any matter in respect of which the employee is providing advice or a report directly to the council or a committee must disclose the nature of the interest when giving the advice or report.

(3) An employee who discloses an interest under this section must, if required to do so by the council or committee, as the case may be, disclose the extent of the interest. (Penalties apply).

5.71 - Employees to disclose interests relating to delegated functions.

If, under Division 4, an employee has been delegated a power or duty relating to a matter and the employee has an interest in the matter, the employee must not exercise the power or discharge the duty and:

(a) in the case of the CEO, must disclose to the mayor or president the nature of the interest as soon as practicable after becoming aware that he or she has the interest in the matter; and (b) in the case of any other employee, must disclose to the CEO the nature of the interest as soon as practicable after becoming aware that he or she has the interest in the matter. (Penalties apply).

'Local Government (Administration) Regulations 1996 – Extract

In this clause and in accordance with Regulation 34C of the Local Government (Administration) Regulations 1996: "Interest" means an interest that could, or could reasonably be perceived to, adversely affect the impartiality of the person having the interest and includes an interest arising from kinship, friendship or membership of an association.

10.1 <u>Manager of Finance and Corporate Services Report</u>

The July period has seen the Corporate Team finalise our End of Financial Year processes and welcoming increased visitors to the area who have been blown away at how tidy and clean the town is, it is great to hear how impressed they all are with our little oasis.

This month's council meeting will see the Management Team present the 2023/2024 Annual Budget to Council for adoption which has been a mammoth effort from RSM and staff to compile, so I would like to extend many thanks and gratitude to everyone involved in this process as it has not come without challenge – great work everyone!

The next big task ahead of staff is our upcoming End of Year Audit in early September, adding to the mix we have recently appointed RSM to carry out our rating function for the 23/24 year and look forward to assisting in a smooth transition. With a busy month ahead it certainly no time to rest and just as important for staff to maintain the momentum.

Community Resource Centre Update

During the first week of August my fellow members of the Australia's Golden Outback Board joined me in Gascoyne Junction for our board meeting. A regional destination plan for the AGO and an Agritourism Strategy have been released and am working through the strategies to incorporate them in tourism growth within the Shire. They were joined by the Board from Regional Development Australia Mid West Gascoyne who also hosted their Board Meeting in Gascoyne Junction spending three days in the Shire. Thank you to Cr Caunt and CEO John McCleary for welcoming the AGO Board at the start of their meeting. On the Thursday all Board members participated in a tag-along tour with Rennee Turner of Wooramulla Eco Cultural Journeys to the Kennedy Ranges. The boards have been high in praise for our Chamber facilities, the hospitality of the Gascoyne Junction Pub and Tourist Park and our town.

In late July we also hosted the Tourism Experience Development Officer for Tourism Western Australia introducing him to Gascoyne Junction and our National Parks. He is working on a long term project for Tourism WA that is looking for business cases in and around National Parks. Research is now being undertaken to explore the potential of several project ideas identified over the two days.

Our Visitor Survey is beginning to gather responses and the results are supporting our anecdotal evidence of visitors spending longer in the Shire than what has been observed in recent years. Guests are spending to 2 to 3 nights in Gascoyne Junction and between 7 to 10 nights within the Shire. The high standards of the town and the facilities across the Shire along with welcoming locals at the Visitor Information Centre and at the two Tourist Parks are certainly having an impact on this.

The Storytown Podcast released in February, has received additional funding from RDA Midwest with a marketing push on radio and social media beginning late in July. In its first week 440 downloads of the app were made. I was interviewed by ABC Pilbara about the podcast and was able to also speak about tourism, the Tidy Town Award, our upcoming Race Meets and Gascoyne Food Festival events. I was also interviewed by the West Australian re Wildflowers and ABC Pilbara again about the Science Week Gascoyne Rocks event which saw locals and tourists alike learn about the geology of the region and again see the stars with Perth Observatory. This event was at no cost due to funding through the Science Week Grant.

Our first subcommittee meeting has been held in preparation for the 2024 National Tidy Town Conference. The date for the event will be Friday May 3 to Sunday May 5. The main outcome of the meeting was establishing the core programs that will be delivered for the conference, what resources they will require and the manpower required to deliver a successful event. A second meeting will be held at the conclusion of the August council meeting.

10.2 Manager of Works and Services Report

It seems that every monthly works report begins with "it's been a busy month", well it has certainly been the case once again this month. I have spent most of this month out at Dalgety Brook ensuring the earthworks and base for the new concrete floodway was ready for Yuin to begin. Dameon has done an amazing job getting the detour in place and floodway base spot on in time for the contractors. We have handed the job over to Yuin who began work on the 14th August. Their work is expected to take two months before we can return to cement stabilise the approaches and finish drainage works.

Thomas and Ian are currently working on Cobra Mt Augustus road, they previously completed the Ullawarra and Cobra Dairy Creek roads. Ian also graded the Ashburton section of Ullawarra road. The lads will focus on Landor Mt Augustus and Pingandy roads over the couple of months. I am well aware that some areas in our shire are well over due for grading however we have been under staffed and experiencing a lot more damage to roads due to the dry conditions and increased traffic volumes. Procuring outside assistance is proving harder and much more expensive as well. We are really starting to see the effect that the tourism, mining and exploration is having on our network.

I am pleased to say that Jamie Podmore is starting with us on the 21st August. Jamie will fill the role of serviceman and operator and will be a welcome member to the team. He and his family will be moving to Gascoyne Junction so if you see them please welcome them to the community and team. We are still searching for the right person to fill the MC/operators role.

Unfortunately Gascoyne Group have withdrawn from their current water cart contract in the middle of the Dalgety Brook project. Thankfully THEM have been able to provide two water carts to complete the works. We will need to re-tender this contract in the next few weeks.

THEM will demolish the storm damaged house on 6 Scott Street this week. It is sad to see the old building go as it was the house I spent my early childhood years in and also the first mud brick house constructed in Gascoyne Junction over 100 years ago.

Lance Root from ABBL Contracting has completed a run around the shire clearing overgrowth from nearly all of our floodway's and erecting width markers that heave been knocked over or damaged. They will return later to install missing depth markers and signage throughout the shire. Lance and his team will also return to assist us in relocation our plant and equipment to Cobra Dairy Creek to fill the gap of our unfilled MC driver position. Lance will also help coordinate the team as I will be taking three weeks leave at the end of the month.

10.3 Chief Executive Officers Report

Another busy month for all concerned with heaps of administrative tasks to be undertaken. It's that time of year where we are transitioning from one financial year to another with the closing out and doing end of year, getting set for the coming financial year (Budget) and preparing for Audit. In addition we have two new staff members to get familiarised with our business and area. As with most years it is the time when anyone who wants to undertake a site visit usually does, pity we didn't see them in summer so they can get a good handle of the extremes we deal with.

I can report that our 22/23 Audit was clean and timely with no adverse findings which is a reflection of Travis, Sa and her staff – Cherie and Cynthia. It shows that our systems are robust and are providing a good level of transparency, accountability, rigor, with good evidentiary documentation.

I managed to take a week's holiday with the goal to get my 40 series back from Perth, but once again it was not quite ready so another wasted venture but it is getting closer, so hopefully within the next week or so.

Hastings are still consuming an inordinate amount of time and patience. Councillor Caunt, Jarrod Walker and myself had a meeting with representatives from Hastings concerning the use of Ullawarra Road, this is subject to an agenda item.

I have received advice from the Department of Lands that our Commercial Land (Lot 556) is now ready to be converted to freehold land in the name of the Shire of Upper Gascoyne. All documentation to facilitate this has been sent to the Department and payment will be made once the budget is adopted and uploaded into Synergy. I will notify *DevelopmentWA*, this should strengthen our RDAP Application.

Andrea Pears will be in town and is ready to commence work on the 4th of September 2023. We are all looking forward to having Andrea working for us and are excited about what she can bring to our workplace.

It has been pleasing to see some of our regional organisations make use of our Council Chamber for their meetings. We have had the Australian Golden Outback, Regional Development Australia and Gascoyne Development Commission in attendance. They were all extremely complimentary of our town and the facilities we provided.

It is great to see development in our town with Jim Caunt putting a new building onto his lot and commencing development, Kenny and Diane are in the process of completely renovating their Gregory Street House and Jox Collins is also renovating his house due to the damage sustained in the storm. As mentioned by Jarrod, "Mick's House" has been demolished along with the old public toilets.

I have contacted the Department of Transport regarding our desire to put in a grant application for the boat ramp and stairs; I was advised that it would be highly unlikely that they would support this application as the grant is centred on registered power boats. I have contacted Lotterywest and they appear very interested in the concept.

This item was left on the table due to a lack of a Mover or Seconder. The reason for this was that the July Financial Report was irrelevant due to the fact the 23/24 had not been adopted and the financial system up-dated so a comparative analysis could be undertaken. The July & August Financial Reports will be presented at the September OMC.

10.6 CREATI	ON OF A NEW RESERVE ACCOUNT
Applicant:	Shire of Upper Gascoyne
Disclosure of Interest:	Nil
Author:	John McCleary – Chief Executive Officer
Date:	3 August 2023
Matters for Consideration:	To create a new Reserve Account for the purposes of allocating funds to assist with resealing the Shire's existing and future sealed roads.
Background:	 The Shire of Upper Gascoyne has embarked on sealing program where the Shire is seeking to seal between Carnarvon and Meekatharra. The Shire currently has approximately 110 kilometres of seal on the road, inclusive of the Gascoyne Junction town site. The Shire have exclusively used bituminised chip seal as its method of sealing roads. This type of sealing has a useful life of between 7-10 years given the Shires climate and vehicle traffic movements. In the 2023/24 Budget we have made an allocation of \$360,440 towards resealing from Part B of the LRCI Grant. This will be enough for approximately 9 kilometres of road assuming the cost of approximately \$40,000 per kilometre. At some point in the future the additional 100km's will also need to resealed at an estimated cost in today's dollars of \$4 million +.
Comments:	In order to maintain our road assets it is considered prudent that the Shire commence putting funds aside now in order to have sufficient funds to carry out the work when required. In order to allocate a monetary amount it is recommended that the Shire take the length of the sealed roads (110 kms) multiply this by $40,000$ per kilometre and then divide this by the estimated seal life. As it currently stands this would equate to $40,000$ (110 L x $40,000$ / by 10). An amount of $10,000$ has been included into the 23/24 Budget to be allocated to a Sealing Reserve Account in order to commence putting away funds for future expenditure which will occur.

Statutory Environment:	 Local Government Act 1995 Section 6.11 Reserve accounts Subject to subsection (5), where a local government wishes to set aside money for use for a purpose in a future financial year, it is to establish and maintain a reserve account for each such purpose. Subject to subsection (3), before a local government — (a) changes* the purpose of a reserve account; or (b) uses* the money in a reserve account for another purpose, it must give one month's local public notice of the proposed change of purpose or proposed use. * Absolute majority required. A local government is not required to give local public notice under subsection (2) — (a) where the change of purpose or of proposed use of money has been disclosed in the annual budget of the local government for that financial year; or (b) in such other circumstances as are prescribed. (4) A change of purpose of, or use of money in, a reserve account is to be disclosed in the annual financial report for the year in which the change occurs. (5) Regulations may prescribe the circumstances and the manner in which a local government may set aside money for use for a purpose in a future financial year without the requirement to establish and maintain a reserve account. 			
	 purpose for which the money in the account is set aside. (2) In the accounts, annual budget and financial reports of the local government a reserve account is to be referred to — (a) in the information required by regulations 27(g) and (ga) and 38, by its full title; and (b) otherwise, by its full title or by an abbreviation of that title.

10.8 CHANGE COUNCI	E OF DATE FOR THE SEPTEMBER 2023 ORDINARY MEETING OF L				
Applicant:	Shire of Upper Gascoyne				
Disclosure of Interest:	Nil				
Author:	John McCleary – Chief Executive Officer				
Date:	15 August 2023				
Matters for Consideration:	To change the date of the September 2023 Ordinary Meeting of Council				
Background:	The original date for the meeting was the 20 th of September 2023. Unfortunately the WALGA Conference is scheduled to be held on the 17 – 19 September 2023. The CEO and the Deputy Shire President will be in attendance and will not return to the office until the 20 th of September 2023				
Comments:	Given the above there will not be sufficient time for the CEO to compile the agenda for the meeting.				
Statutory Environment:	 As per the local Government Act 1995: Part 5 – Administration (a) Deals with Council meetings, committees and their meetings and electors' meetings Division 2 – Council meetings, committees and their meetings and elector's meetings Subdivision 1 – Council meetings 5.4 – Calling council meetings 5.25 - Regulations about council and committee meetings and committees Local Government (Administration) Regulations 1996 12.Publication of meeting details (Acts.5.25(1)(g)) (1) In this regulation—meeting details, for a meeting, means the date and time when, and the place where, the meeting is to be held. 10.9 TENDER FO	OR NEW STAFF HOUSE – HATCH STREET
Applicant:	Shire of Upper Gascoyne
Disclosure of Interest:	Nil
Author:	John McCleary – Chief Executive Officer
Date:	15 August 2023
Matters for Consideration:	To accept or reject the tender for the construction of a new 3 x 2 modular Staff House. Please refer to <i>Appendix 3</i> .
Background:	The Shire went to tender for the supply and installation of a new 3x2 modular home. The Shire has made a budget allocation of \$600,000 which was sourced from borrowings.
Comments:	 The Shire has received only one compliant tender and the tender price came in at \$599,498 (ex GST). This price includes provisional sums in addition to the home (Carport, Alfresco, Veranda's) which include: Septics Storm water Rain Water Tank Landscaping Reticulation Fencing External concrete – Crossover, Veranda's , Car port, Alfresco Air conditioners for each room It is estimated that there will be an additional cost of approximately \$30,000 made up of Shire Wages, Water and Electrical Connections. This effectively takes us over our budgeted amount, we do have monies in our reserve account we could use to augment to differential. Given that the Shire only received one tender it is difficult to determine if we are receiving value for money, it is recommended that the Council reject the tender and then instruct the CEO go back to the market and determine if there are any other companies that are willing to supply a house to the same specifications and also determine the cost.

Statutory Environment:	Local Government (Functions and General) Regulations 1996				
	Reg 11				
	(2)Tenders do not have to be publicly invited according to the requirements of this Division if —				
	I within the last 6 months —				
	 (i) the local government has, according to the requirements of this Division, publicly invited tenders for the supply of the goods or services but no tender was submitted that met the tender specifications or satisfied the value for money assessment; or Reg 20. Variation of requirements before entry into contract 				
	(1) If, after it has invited tenders for the supply of goods or services and chosen a successful tenderer but before it has entered into a contract for the supply of the goods or services required, the local government wishes to make a minor variation in the goods or services required, it may, without again inviting tenders, enter into a contract with the chosen tenderer for the supply of the varied requirement subject to such variations in the tender as may be agreed with the tenderer.				
	(2) If —				
	 (a) the chosen tenderer is unable or unwilling to enter into a contract to supply the varied requirement; or 				
	 (b) the local government and the chosen tenderer cannot agree on any other variation to be included in the contract as a result of the varied requirement, 				
	that tenderer ceases to be the chosen tenderer and the local government may, instead of again inviting tenders, choose the tenderer, if any, whose tender the local government considered it would be the next most advantageous to it to accept.				
Policy Implications:	Purchasing Policy				
Financial Implications:	23/24 Budget – The Shire have borrowed \$600,000 from the WA Treasury for the purpose of constructing a new modular Staff House and this money has been received and is sitting in our municipal account waiting to expended for its intended purpose.				
Strategic Implications:	Shire of Upper Gascoyne Integrated Strategic Plans 2022-2032

10.10 ADFOPTIC	ON OF 23/24 FEE'S AND CHARGES
Applicant:	Shire of Upper Gascoyne
Disclosure of Interest:	Nil
Author:	John Mccleary – Chief Executive Officer
Date:	15 August 2023
Matters for Consideration:	To accept and adopt the Schedule of Fees and Charges for the 2023 / 24 financial year as listed in <i>Appendix 4</i> and for those fees and charges to come into effect as of the 1 st September 2023.
Background:	As part of the budget process, fees and charges are to be determined and applied.
Comments:	A review of our current fees and charges was undertaken by staff and through this process, a shortfall in cost recovery was identified in various areas. To help bridge the gap and to provide some level of consolidation across our services, an increase has been applied to some of our fees and charges such as items like the rubbish charges, to better assist in our cost recovery efforts. Some new fees and charges have also been added to the schedule – particularly in the hire of our facilities.
	For ease of transition and application, we ask that the fees and charges be made effective as of 1 st September 2023 meaning that any services provided on and after this date will be charged under the new fees and charges schedule for 2023/24.

Statutory E	Statutory Environment: Local Government Act 1995 – Section 6.16 (1) A local government may impose and recover a fee or ch for any goods or service it provides or proposes to provide, than a service for which a service charge is imposed. (2) A fee or charge may be imposed for the following — (a) providing the use of, or allowing admission to, any propracility wholly or partly owned, controlled, managed or main by the local government; (b) supplying a service or carrying out work at the request or person; (c) subject to section 5.94, providing information from local government records; (d) receiving an application for approval, granting an approvimaking an inspection and issuing a licence, permit, authors or certificate; (e) supplying goods; (f) such other service as may be prescribed. Date:		15 August 2023						
Matters for Consideration:		To determine selection criteria to award a contract for the provision of water cart services to the Shire of Upper Gascoyne.						
Background:		Gascoyne Group recently withdrew from their current contract for provision of water carts services prior to the contract ending. The Shire has accepted their withdrawal and will need to retender for t service.			act ending. The			
Comments:		Given that the cost to the Shire will exceed \$150,000 over the life of the contract we are required to either go to public tender or use the WALGA preferred suppliers. In our case the vast majority of those who would be interested are not a preferred supplier as such the public tender process would provide the best option to get companies to submit a competitive tender.

Date:		18 August 2023					
Matters for Consideration:		To consider entering into a Road Use Agreement with Hastings for the use of Carnarvon/Mullewa Road, Ullawarra Road and Edmund-Gifford Creek Road.					
Background:		 Hastings and the Shire have a current RUA where Hastings were going to use Lyndon Minnie Creek Road and ship out of Onslow; however, this has now changed and Hastings are looking to get their inputs from and export out of either Geraldton or Perth. Hastings have now requested that a new RUA is prepared so that they can use Ullawarra Road and Carnarvon / Mullewa Road.

14. ELECTED MEMBERS REPORTS

14.1 Cr Caunt -

On the 4/8/23 gave an opening address to the Australian Golden Outback meeting that was held in the Shire chambers, looked to me to be a good turn out, and those attending I think were impressed with what we have to offer at the Junction, then on 15/8/23 John, Jarod and myself had a meeting with Hastings, regarding the use of the Ullawarra Rd, the main thing to come out of that for me is the position of a project manager to be appointed, which is agreed to by both parties , and after a lengthy discussion with Hastings and no doubt long discussion at the coming shire meeting the Ullawarra Rd being there final decision on their preferred Rd.

14.2 Cr Walker - Attended the Tourism Industry Sundowner on the 2/08/2023

14.3 Cr McTaggart - Nil to Report

14.4 Cr Hoseason-Smith - Nil to report

14.5 Cr McKeough - Nil to report

14.6 Cr Watters - Nil to report
